### CONDITIONS

#### PLEASE READ - IMPORTANT FOR ALL CLASSES

1. Because the Fine Decorated artistry exhibits, in the shape of a cake or sculpture, are judged only on the application and design of the decoration, it is preferred that 'cake or sculpture shaped' dummies be used as the basis to show the design and application skills.
2. You can use a commercial Styrofoam cake shape, create one yourself or even use a shoebox! Whatever you feel will show your Fine Decorated Artistry off to the best advantage. This will also save money and time as no cake making or cooking is involved and it is a lot lighter to carry.
3. The dummy used, and the design of the shape must be such that the design would hold together if in fact cake had been used. Shapes such as an upright circle are not permitted as it would collapse if actual cake had been used. This condition will apply to shapes and sculptures using both Fondant and Buttercream.
4. If you wish to obtain specific shapes/sizes, check out Granite Belt Cleaning and Hospitality for assistance or search online for suppliers.
5. The Sugar or Chocolate Artistry categories are also designed for exhibits that are not cakes. You may wish to create a floral arrangement, vase, an everyday household item or an individual artwork or scene, the choice is both boundless and yours!
6. Please present items in all classes on rigid boards with feet
7. Judging is by visual inspection, entries are not physically handled. Judges decisions are final and Judges reserve the right not to award prizes.
8. Prizes and prize money to be collected only between **9.30am – 11am ON SUNDAY 31/1/2021**. Uncollected prizes/prize money will not be taken to the Show Office.
9. ROOKIE classes are for exhibitors who have not previously won a prize in that class.
10. Judges decisions are final and Judges reserve the right not to award prizes.
